Sweet Spot — session 1

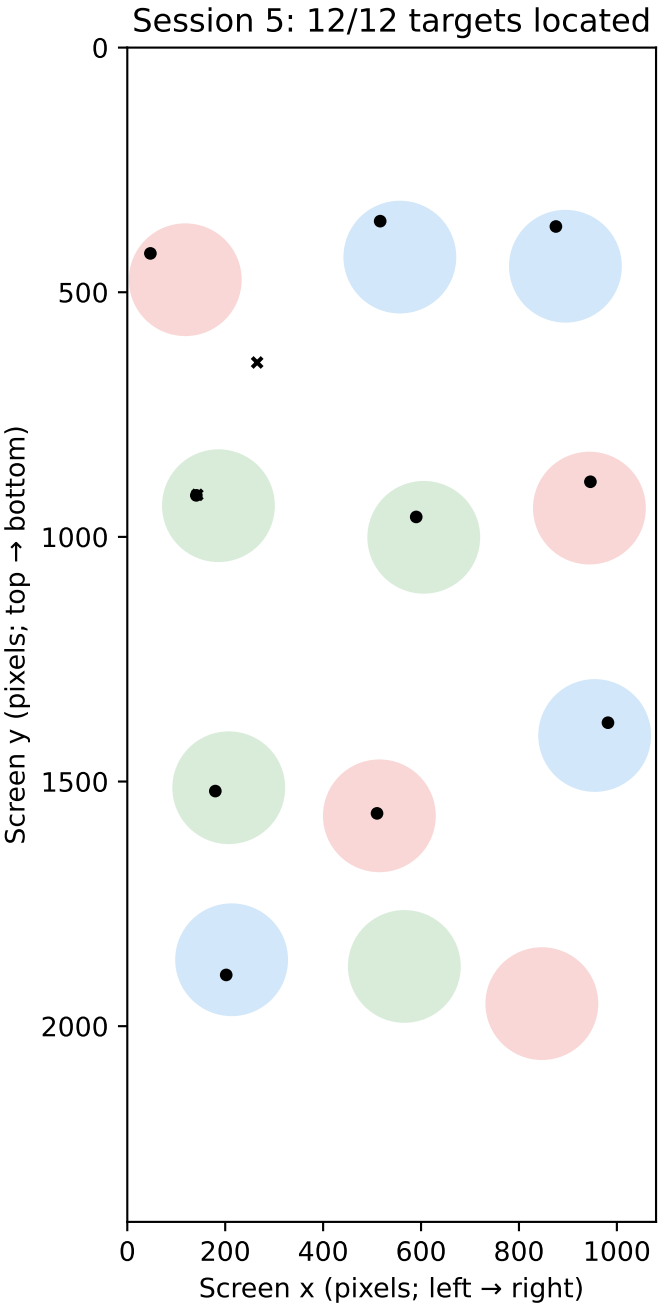

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 2

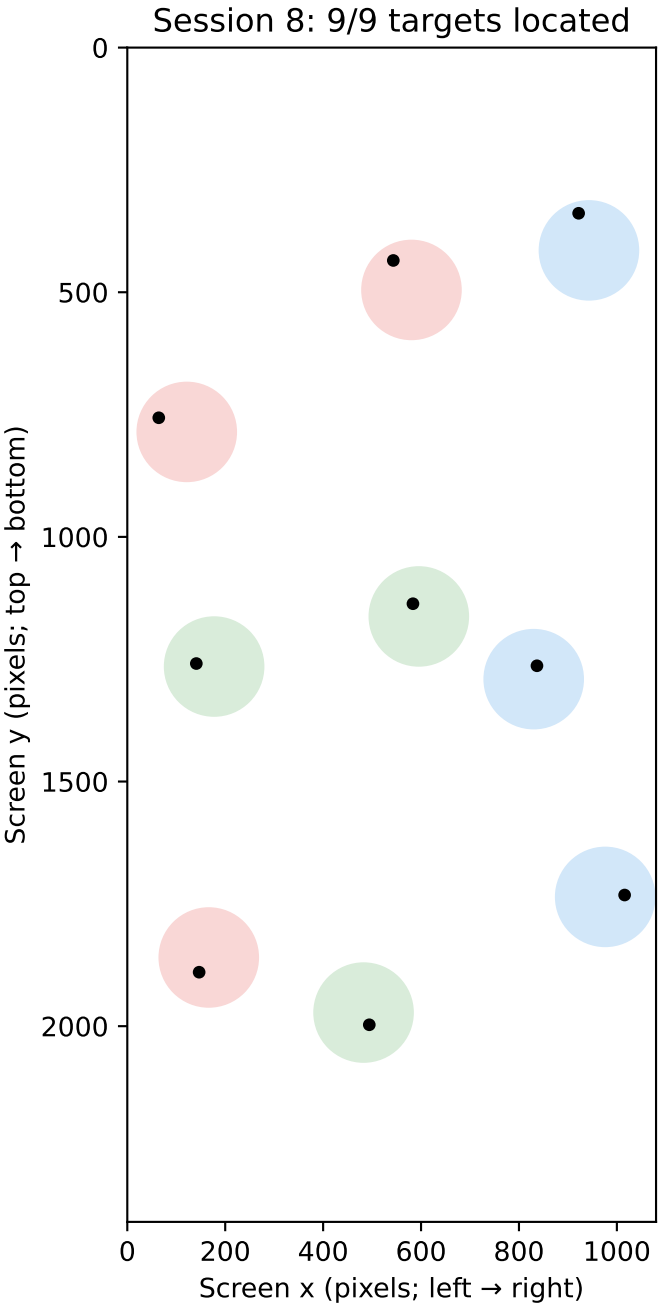

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 5

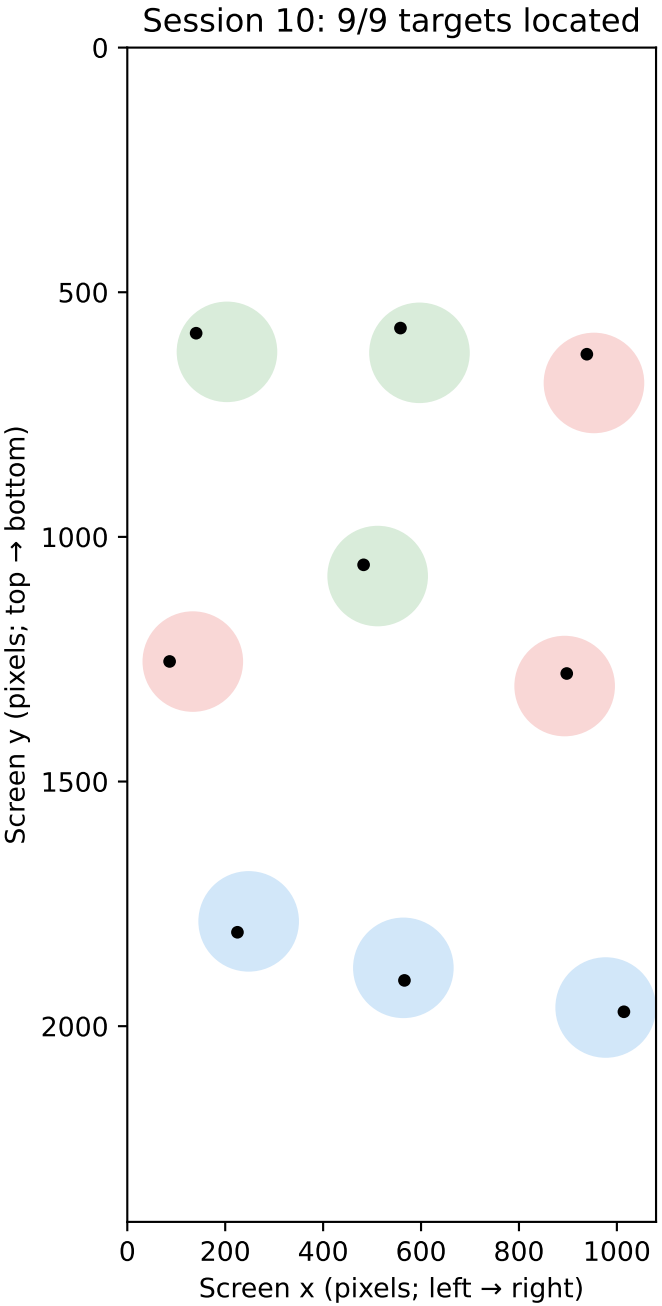

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 8

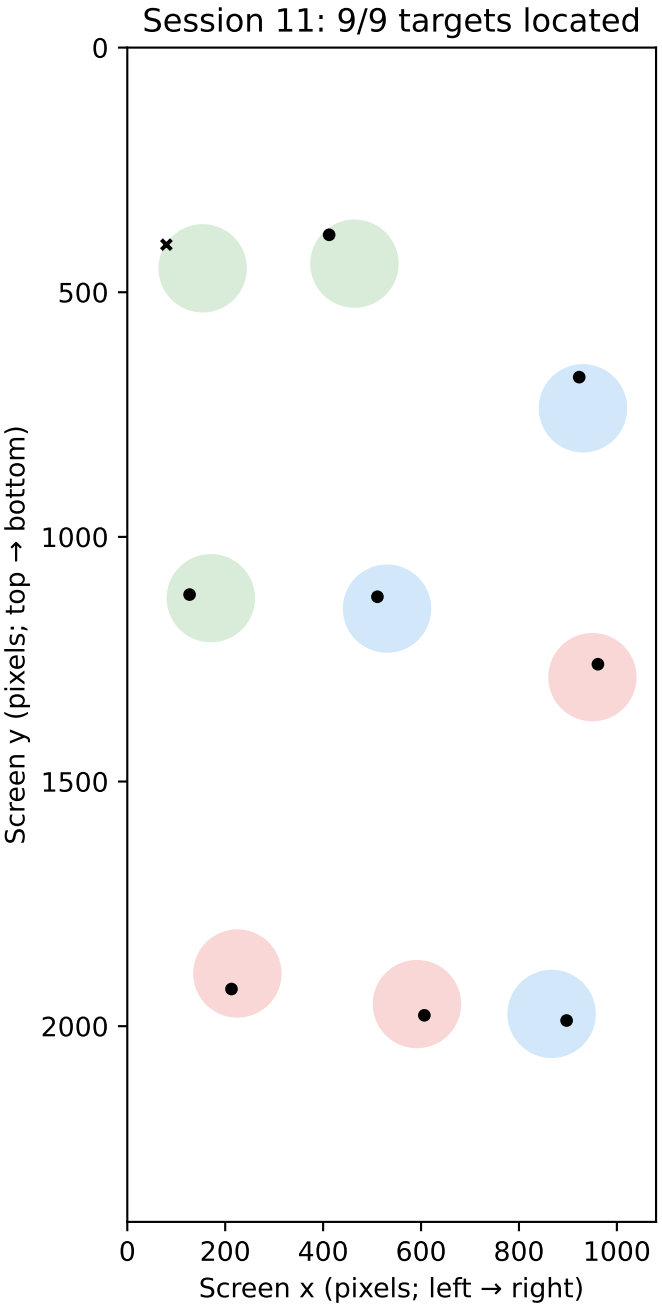

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 10

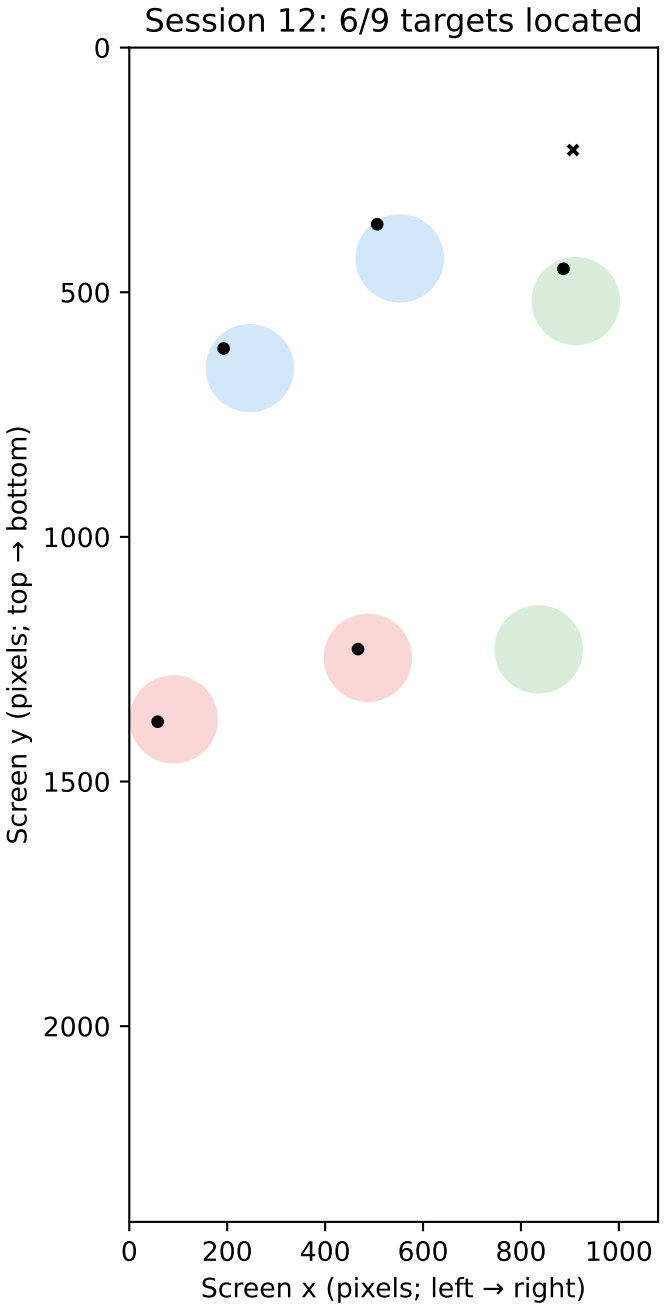

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 11

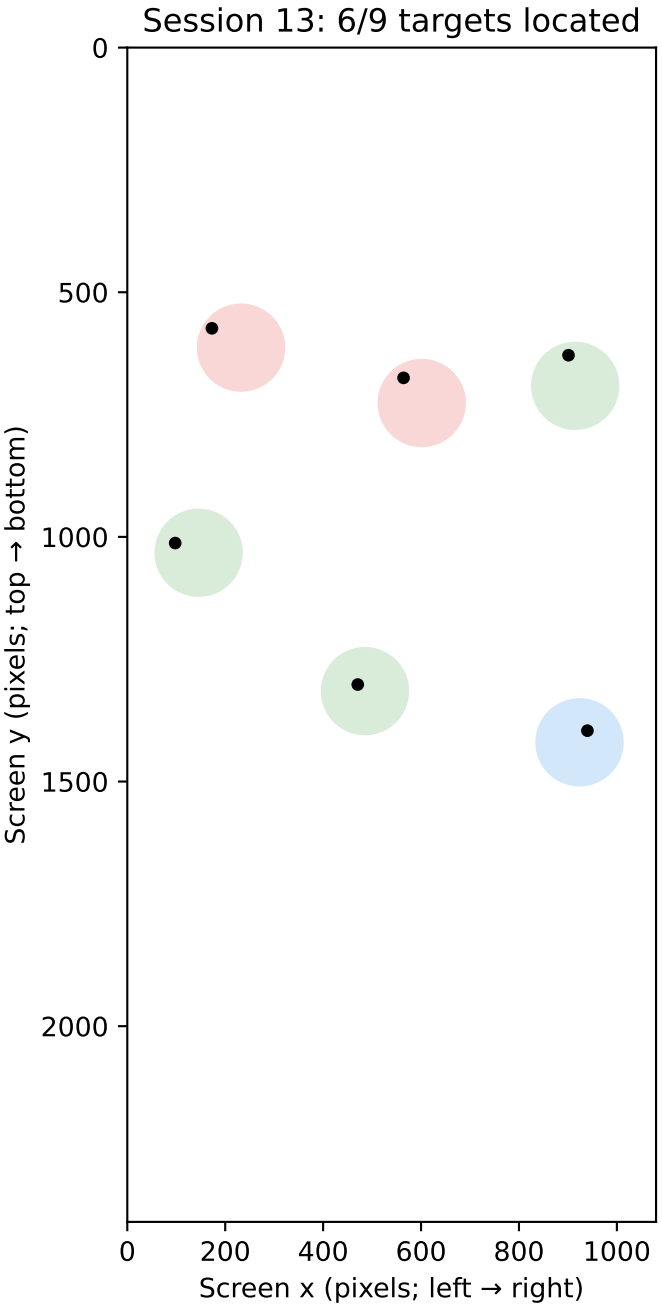

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 12

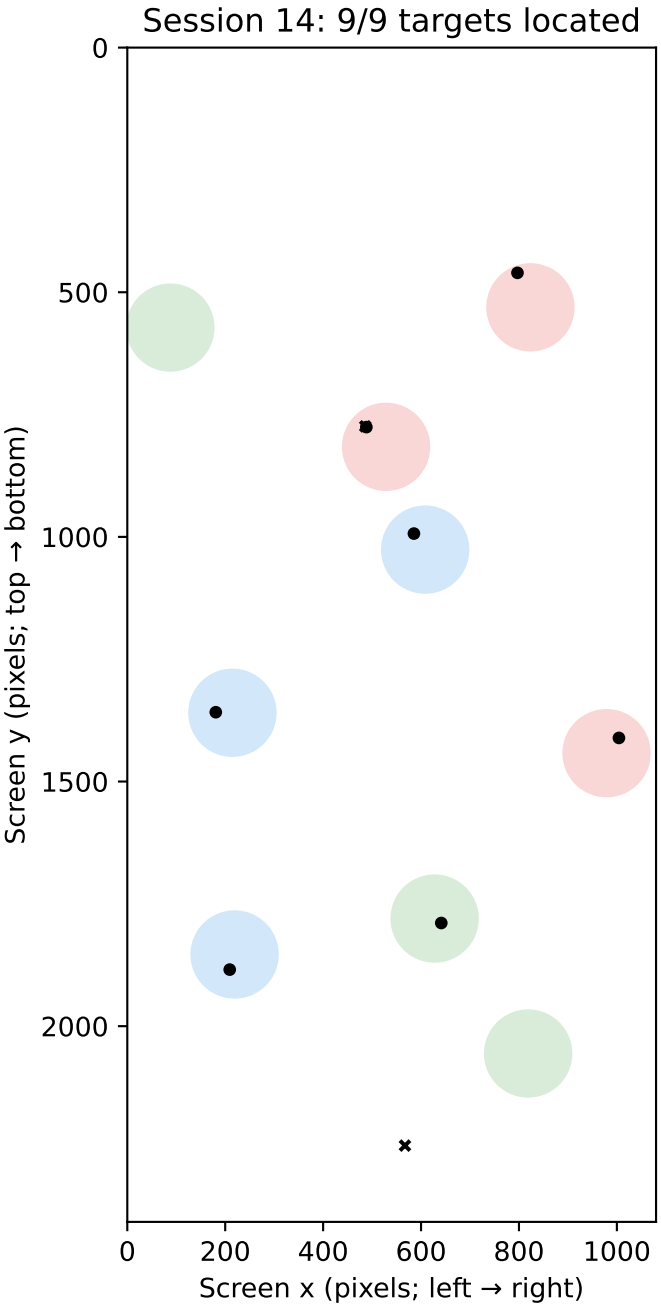

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 13

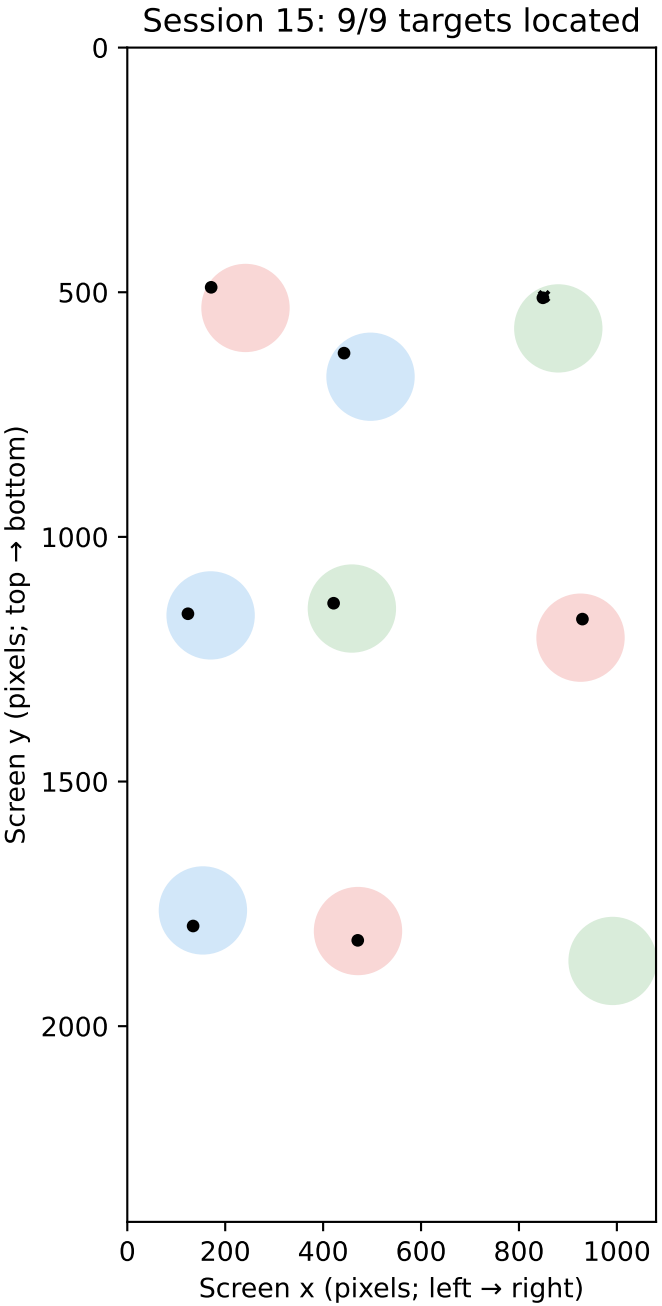

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 14

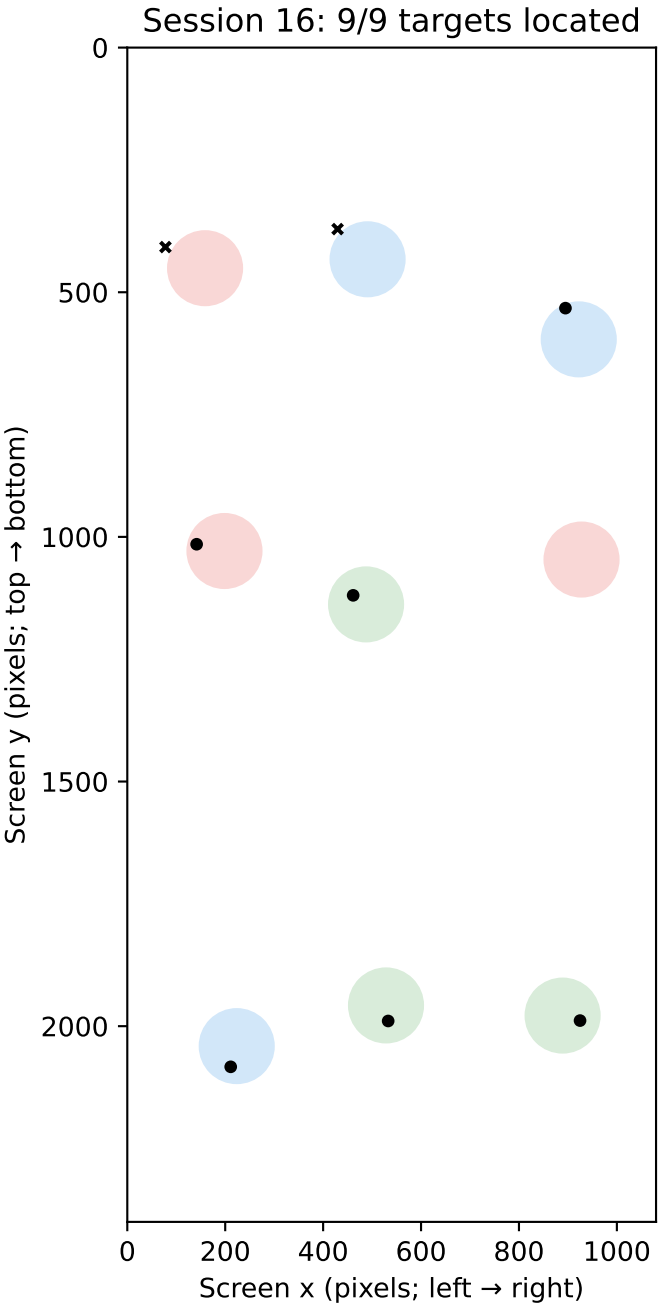

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 15

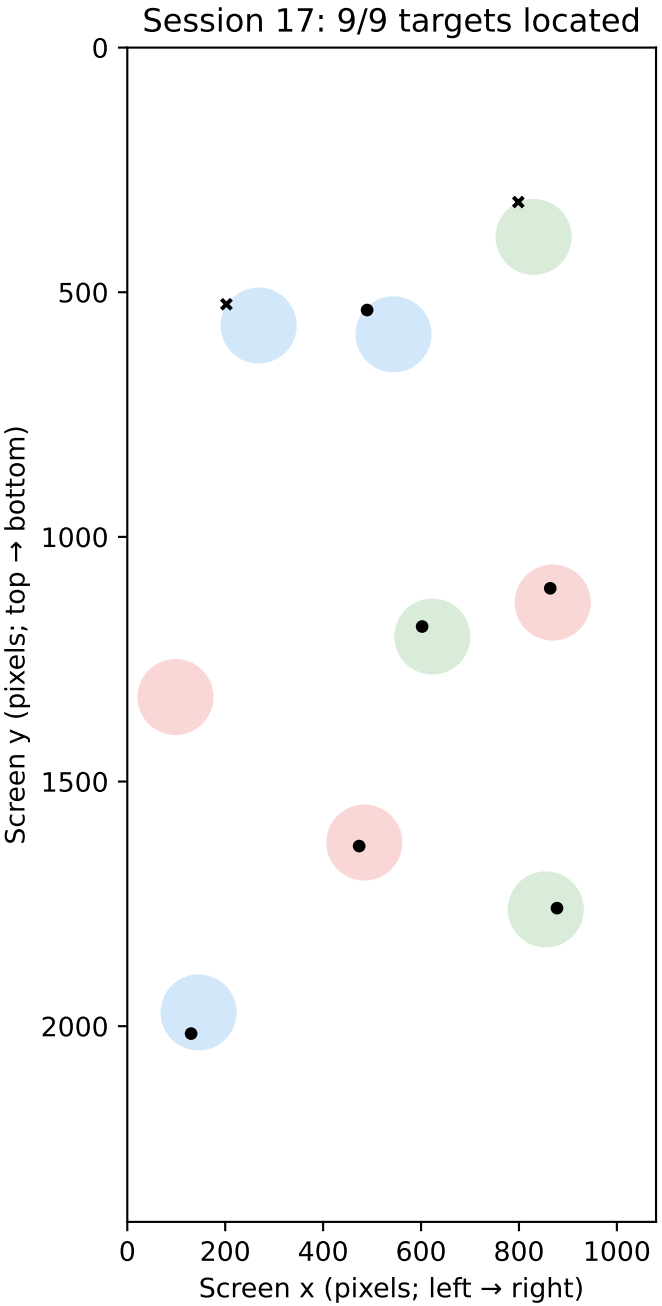

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 16

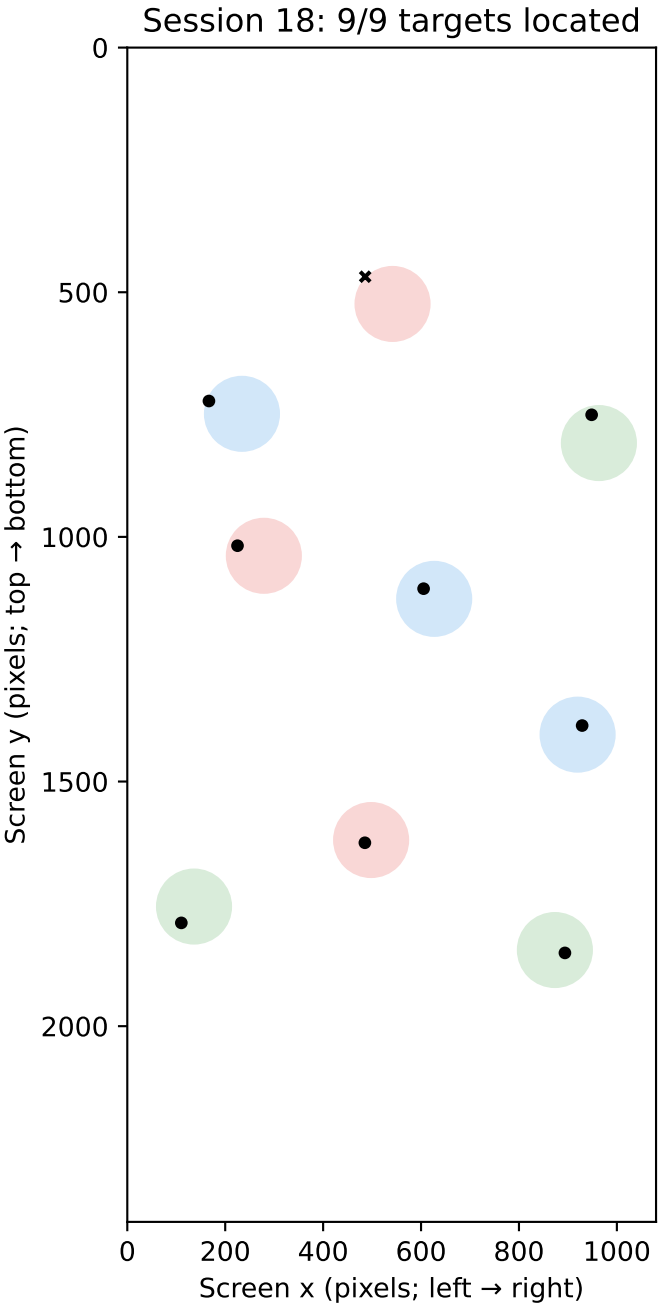

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 17

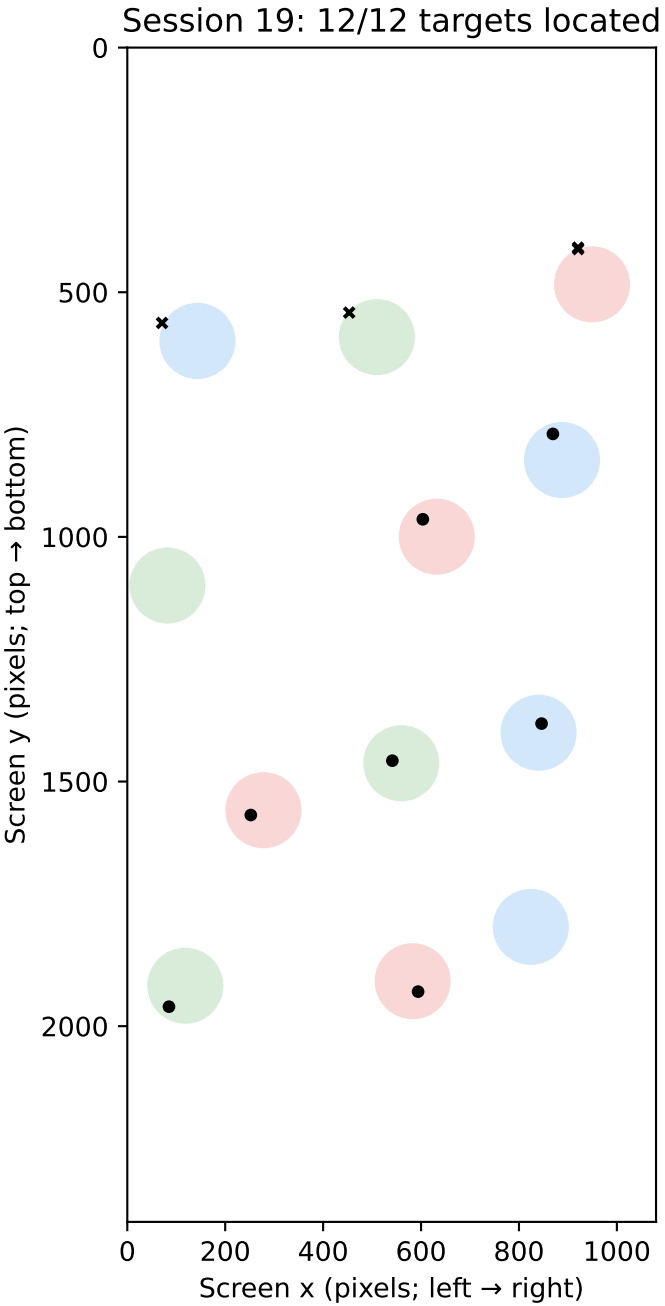

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 18

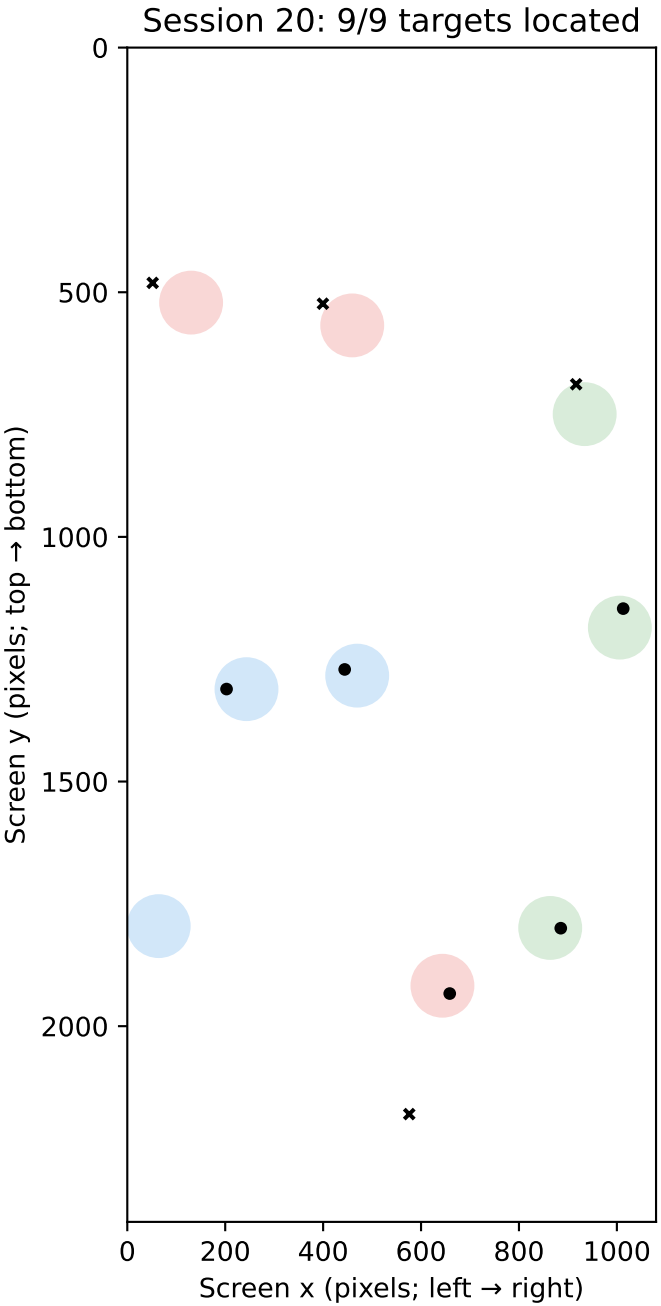

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 19

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.

Sweet Spot — session 20

Colored circles = targets; dots = app hits; crosses = app misses.
Only recorded positions shown; missing targets not reconstructed.
